

# GEOMIN • MINEPLANNING 2023

8<sup>th</sup> International Conference on Geology and Mine Planning

REGISTER

TODAY

**JULY 12~14, 2023**

SHERATON HOTEL, SANTIAGO, CHILE

## Optimal Mining Resources Management through Innovation for Intelligent and Sustainable Mining

### TECHNICAL PROGRAM

The technical program has more than 100 presentations, from 14 countries and more than 50 from mining operations.

### CONFIRMED KEYNOTE SPEAKERS

**Rosy Navarro**, Teck Resources, Chile • **Richard Lizana**, Salares Norte, Gold Fields, Chile • **Diego de la Barra**, Dassault Systemes, Chile • **María Carolina Aguayo**, Compañía Minera del Pacífico, Chile • **José Luis Carrasco**, SCM Sierra Gorda, Chile • **Daniela Villegas**, Codelco, Chile • **Ali Soofastaei**, Vale, Brazil and Soofastaei-Institute, Australia • **Hooman Askari-Nasab**, University of Alberta, Canada

### CONFERENCE TOPICS: GEOMIN

Geometallurgy and mineralogy • Geotechnics and geomechanics • Geological modeling • Estimation of mineral resources and geostatistics • Geology for mine production

### CONFERENCE TOPICS: MINE PLANNING

Optimization of equipment fleet and mine design • Novel models and technologies for mine planning • Advances on underground mine planning • Advances on open-pit mine planning • Risk and uncertainty in mine plans

### Executive Committee

#### CHAIR

**Leonardo González**  
General Manager, Minera  
Zaldivar, Antofagasta  
Minerals, Chile

#### CO-ORGANIZERS

**Juan Luis Yarmuch**  
Academic, Department  
of Mining Engineering,  
Universidad  
de Chile

#### Eduardo Campos

Director, Department  
of Geological Sciences,  
Universidad Católica del  
Norte, Chile

#### Yashar Pourrahimian

Associate Professor,  
School of Mining and  
Petroleum Engineering,  
University of Alberta, Canada

#### EXECUTIVE DIRECTOR

#### Carlos Barahona

General Manager,  
Gecamin, Chile

#### PROGRAM DIRECTOR

#### Gonzalo Nelis

Academic, Universidad  
Técnica Federico Santa María,  
Chile

### Inquiries

#### COORDINATOR

#### Karin González
