— By **Gecamin**

WELCOME TO SANTIAGO

Santiago is the capital of Chile and is considered one of the cities with the best quality of life and one of the best for doing business in Latin America, in addition to being one of the safest. It also has natural surroundings ideal for outdoor activities and relaxation.

Due to its central location, Santiago is relatively close to different beaches, such as: **Valparaíso, Viña del Mar** or other resorts in the area such as the port of **San Antonio, Rocas de Santo Domingo, Isla Negra**, among others.

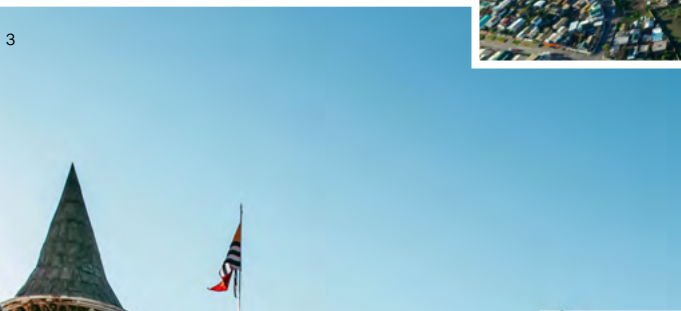

Several of the most important wine valleys in the country are located around Santiago, which are known for their **Wine Route**, where you can visit various vineyards.
