

MINexcellence2026

11th International Conference on
Operational Excellence in Mining

NOVEMBER 24 - 26, 2026
SHERATON HOTEL, SANTIAGO, CHILE

Operational Excellence driven by Safety,
Operational Discipline and Collaboration

AREAS OF INTEREST

- Underground and Open-Pit Mining
- Mineral Processing, Hydrometallurgy, and Geometallurgy
- Asset Management, Maintenance, and Supply Chain
- Strategic Planning and Process Integration
- Mineral Resources and Reserves Evaluation
- Geology, Geotechnics, Mine Design, and Mine Planning
- Water, Effluents, Waste, and Energy Management
- Occupational Health and Safety
- Sustainability, Communities, and the Environment
- Knowledge Management and Human Talent Development
- Mineral Prospecting, Exploration, and Mining Projects
- Markets, Venture Capital, and Financing for Mining Project

ABSTRACT SUBMISSION

We invite professionals and academics to submit a 300 - 600 words abstract in English or Spanish by July 3rd.

Abstracts should be uploaded using the form available at the Conference website.

AUTORES DE LÍNGUA
PORTUGUESA PODERÃO
APRESENTAR ORALMENTE
EM PORTUGUÊS

Executive Committee

CHAIR

Claudia Domínguez

General Manager, Radomiro
Tomic Division, Codelco, Chile

CO-ORGANIZERS

José Delgado

Director, Department of Mining
Engineering, Universidad de
Antofagasta, Chile

Carlos Arroyo

Adjunct Professor, Universidade
Federal de Ouro Preto, Brasil

Hooman Askari

Professor, School of Mining
and Petroleum Engineering,
University of Alberta, Canada

PROGRAM DIRECTOR

Fabián Manríquez

Academic, Dept. of Mining,
Metallurgy and Materials
Engineering, Universidad Técnica
Federico Santa María, Chile

EXECUTIVE DIRECTOR

Carlos Barahona

General Manager,
Gecamin, Chile
