sustainablemining 2027

10th International Congress on Environment and Social Responsibility in Mining

MAY 5 - 7, 2027

SANTIAGO SHERATON HOTEL

SUBMIT YOUR ABSTRACT

December 14, 2026

AUTORES DE LÍNGUA PORTUGUESA PODERÃO APRESENTAR ORALMENTE EM PORTUGUÊS

Measuring and reporting sustainability in mining

AREAS OF INTEREST

ENVIRONMENT

1. Emerging technologies in monitoring, control and validation for environmental management
2. Risk management of mine wastes
3. Prediction, prevention and control of environmental impacts
4. Rehabilitation, remediation and biodiversity
5. Sustainable energy for green mining
6. Climate change: vulnerability and adaptation

SOCIAL RESPONSABILITY

1. Prior consultation, inclusive dialogue and participation in decisions
2. Indigenous peoples, indigenous rights and mining
3. Human rights and social due diligence
4. Social investment, community development and collective impact
5. Local procurement and supply chain management
6. Gender, diversity and inclusion programs

TRANSVERSAL AREAS

- Innovation in sustainability governance
- Measurement and report of sustainability: indicators and certifications
- Sustainable management in the LOM: integrating sustainability from design to closure

ABSTRACT SUBMISSION

Professionals and academics are invited to submit a 300 - 600 word abstract of their paper in **English** by **December 14th, 2026**.

Abstracts should be uploaded using the form available at the Congress website.

ORGANIZED BY

Executive Committee

CHAIR

Alejo Gutiérrez
Corporate Director ESG & Permitting, Capstone Copper, Canada

CO-ORGANIZERS

Victor Quezada
Director of the Department of Metallurgical and Mining Engineering, Catholic University of the North, Chile

Luis Cisternas
Director of the Doctoral Program in Mineral Processing Engineering, University of Antofagasta, Chile

John Steen
Director of Bradshaw Research Institute for Minerals and Mining, University of British Columbia, Canada

Mary Valdés
Executive Director SMI Chile International Centre from The University of Queensland, Australia

PROGRAM DIRECTOR

Jacques Wiertz
Environmental Rehabilitation and Ecosystem Dynamics Leader, SMI Chile

EXECUTIVE DIRECTOR

Carlos Barahona
General Manager, Gecamin, Chile
